

ABZs of South Florida

A New Path for Today's Generation of Networkers

April 9, 2010, Boca Raton, Florida - Page One Graphics has created an inventive new concept called the "business-crawl" and catching on like wild-fire with restaurants.

The ABZs of South Florida showcases diverse restaurants in the South Florida region - area-by-area - each month. April, May and June are already spoken for. Networkers and business owners have the opportunity to visit three restaurants in a three hour time period tasting different tapas and signature cocktails all at an affordable \$12.00.

ABZs of Mizner Park: The signature event will be on April 21st from 6:00pm to 9:00pm.

"Business executives experience new restaurants while they walk - and network" exclaims Shana Overhulser, President of Page One Graphics, "and will hopefully feel welcome to return their patronage for business lunches and personal dining experiences throughout the year."

For further information, view of tapas and to RSVP, contact Shana at 561-670-4452. Visit these web sites; www.pageonegraphics.com and www.RNIfla.com
